

**From the Editors:** Can't change the weather, just adapt and do your best. As many of us are working on WinterFest events, we have backup plans, so plan to come. We recently reviewed a Downtown Beulah Revitalization Plan from 1986. It was very interesting to read the plan to make Lake St. one way primarily for more parking. In another area of that plan, a 'boardwalk' on the west side of Lake St. was recommended. By this time next year, both of these will be in place, all good things come with time. Christmas Magic and all the decorations in storefronts, trees, light poles, parks and the Trailhead Building made for a beautiful downtown Beulah. Have a great 2012!

Phil Downs & Vicki Carpenter-Downs, Editors

**From the Village President:** After a snowless winter right up to the day before Christmas, we woke up to six inches of the white stuff on the ground and did, indeed, have a white Christmas here in Beulah! I hope you all enjoyed a great holiday season.

Wouldn't you know the week President, Jerry Rank, left for the winter in sunny Florida, we had a water main freeze and break on Prospect Ave.! That's par for the course, but Brian and the crew got it repaired in good time and the residents' water is still flowing with minimal interruption.

This has been a busy year in our village. Our third water well project was completed and is producing more than enough water to supply our fire protection and water pressure needs well into the future. Every residence and business location was changed over to electronic water meters which will drastically reduce read time for maintenance personnel and improve accuracy and eliminate estimated water bills in the winter quarters. An energy grant was received and implemented in the form of high-efficiency lighting and other improvements in the Village Administration office. Old, failing piping and valves in the sewer ponds were replaced after finding them corroded and leaking. A new wide-body tractor mower was purchased for use at the sewer pond location to drastically reduce labor time to mow that large area in the summer. A

new v-blade snow plow was purchased to increase efficiency in plowing the Village streets which our crew always does a great job of clearing. The Beachfront Grant was approved (thanks so much to the Beulah Boosters!) and transformation of the beach front on Lake Street should begin in 2012. I'm pleased to say that all of the above were accomplished within our 2011 budget! We do, however, have to say goodbye to our zoning administrator, Nikki Lennox, who will be leaving Jan. 1 to spend more time with her family, and Chris Adsit, Maintenance Personnel, will no longer be on staff. We will be looking for replacements for both of them early in the coming year. I wish you all a happy, healthy and prosperous 2012!  
Jim Kilgus, President Pro Tem

**Crystal Lake Community Business Association (CLCBA) Past and Future Events:**

**Halloween Maze:** The weather cooperated and many volunteers worked to set up and run the Haunted Maze for nearly 100 Trick or Treaters.

**Christmas Magic:** Santa had breakfast with children in the morning. Later, Santa and Frosty visited with children at the Trailhead Bldg. and then the children enjoyed holiday activities. Many stores

offered holiday specials and a merchant drawing after the parade ended the day. BCHS Chorus members entertained with holiday songs on downtown streets and in businesses. Remember to pick up your Santa photo at State of the Art.

Frosty and Santa greeted children of all ages!

**Snowmobile Reminder and Snowmobile Class**

**Information:** Sheriff Rory Heckman sends a reminder that snowmobiles going through the Village need to follow the posted trails and stay off Benzie Blvd. Snowmobilers are also reminded to stay off Crystal Lake due to poor ice conditions and safety. Don't go alone, go with a partner. Never drink and ride your snowmobile; wear protective gear (helmet, goggles, gloves, boots) and proper winter clothing. Know your equipment, watch your speed, ride with head light on, obtain a trail sticker and current registration before using the trails. The Benzie County Sheriff's Office is offering snowmobile safety classes for first time operators and for youth who want to learn about safe snowmobile operation. Contact the Sheriff's Office at 882-4494 to sign up for the 1/21/2012 class. 9 am to noon at the Sheriff's Department. Enjoy the winter season, and be safe.

**Library/Recycling/Public Parking** lot will have barricades placed to ensure clear access for the maintenance crew during snow removal periods. Please support the crew and respect the barricades. Crews need to get in and out of the garage to better maintain the Village streets.

**Beulah Boosters are Busy Volunteers:** Christmas Magic kept the Boosters busy in December. Boosters helped with the Christmas trees, decorated the Trailhead Building and the pavilion. They were involved with the children's activities in the Trailhead Building, making bird feeders, face painting and decorating cookies. Next event, for interested volunteers, will be WinterFest in February and the Easter Egg Hunt in April.

Volunteers are needed for WinterFest activities. Please contact Steve Wentworth if you can give a couple of hours on that day. If not WinterFest, perhaps you can help the bunny with the egg hunt in April. The Booster's goal is to support local groups by providing volunteers and financial resources in order to build cohesiveness in the community and to promote Beulah as a vacation destination. Members of this non-profit are asked to volunteer on at least one community activity each year. Membership forms are available now at Crystal Copies. **For more information or to volunteer, please contact Steve Wentworth at 517-202-3807 or email at: randall\_automotive@yahoo.com**  
**Come and have fun, everyone is welcome!**

**WinterFest Chili Cook-Off:** Cooks are needed for the Chili Cook-Off on Saturday, Feb. 11 the Village Park. Competition is open to businesses and individuals. Bring 2 gal of chili by 11:30 am and volunteers handle the rest. Prizes for winners! Call the Hungry Tummy, 882-5103 or get registration forms at Benzie Chamber, State of the Art and on line at [clcba.org](http://clcba.org)  
Please pre-register as it helps with planning and volunteer needs. Thanks!

**DNR Waterfront Update:** The goal of having some work started this fall didn't happen. Grant process requires more oversight from DNR than we realized and that has put the project behind. However, engineering work has been submitted for review and it is expected that a bid package will be out in February. Despite the delay, work will start this spring. **Final design included the change of Clark Street to one-way from Lake St. to Benzie Blvd.** This was necessary due to the change of the southbound lane of Lake St. to a 2-way bike lane. This eliminated the boat prep-lane that now exists. Therefore, there will be a designated boat prep-lane on the north side of Clark St. Part of the work plan includes signage to alert drivers of these changes in traffic flow. Drawings are available in the Village Office for review.

**Ice Skating Rink:** Last year there was great support to fund the upkeep for the rink at Homestead/US 31 in Benzonia. This year, Benzie County Parks & Recreation Committee is coordinating donations for the upkeep of the ice rink. Your donations are still needed and should be sent to: Benzie County Parks & Recreation Cmte, 448 Court Place, Beulah, MI 49617

**Outhouse Races:** Returning to WinterFest 2012 will be the Outhouse Races! The competition is open to all ages, families, groups, businesses, service clubs, etc.! Information and applications are available at [clcba.org](http://clcba.org) as well as State of the Art, and the Benzie Chamber of Commerce. Size and materials are limited but not your imagination. Each entry requires a toilet seat and a roll of toilet paper. The race will be a short sprint on a snow covered base. The theme is: "Build It and They Will Go!" Great publicity and great fun!

Nugent Ace Hardware's Outhouse entry won 1<sup>st</sup> place in 2011. The judges awarded them Best in Show as well and the traveling toilet seat award was presented. Who will win the coveted toilet seat at WinterFest's 2012 Outhouse Race on February 11? Maybe your team, see Larry at Hodge Podge Lodge, Steve at State of the Art for more info.

**Have a Beulah-ful Day!**
